FRIENDLY REMINDER:
AFTER HOURS ARE FOR URGENT MEDICAL ISSUES THAT CANNOT WAIT FOR THE NEXT BUSINESS DAY:
910.400.1175

Please refrain from using Dr. Suchecki's cell phone. During office hours, Dr. Suchecki often will not see calls in a timely manner. The staff is poised to assist you. After hours, all calls must go through CallMyDoc, our after hours paging system. This number is for EMERGENT issues outside of business hours. Non-emergent messages that come through CallMyDoc may not be addressed until the following business day.

CALL 911 if you are having a true medical emergency.

We hope your holidays are full of joy, loved ones, and plenty of rest.

We will be taking a little time for the same and look forward to caring for you in the New Year.

Please take the time to note our holiday hours.

SCHEDULING GUIDELINES

PLEASE NOTE THE FOLLOWING;

Same-day and next day appointments are reserved strictly for urgent concerns such as acute illness or injury. These visits are designed to address one immediate issue only.

For chronic conditions, medication management, or routine follow-ups, appointments are generally available within the week.

Wellness Appointments are scheduled up to a year in advance. Because these visits are comprehensive and require extended time, we are only able to offer two per day. If you need to reschedule, please contact us as soon as possible. Availability is limited and the wait time may be several months.

Thank you for helping us maintain timely, high quality care for all of our patients.
